

DIRECTIONS TO VILLA SOSA

TRAVELLING FROM GEORGE AIRPORT

From the George Airport, take the N2 to Port Elizabeth / Knysna. The best way is to turn RIGHT when leaving the airport entrance, then turn left onto the N2 dual carriageway (George Airport is very small - not possible to get lost). The N2 passes through the Wilderness, Sedgefield and then into Knysna. The drive is approximately one hour and is very scenic.

NOTE - there are many changes in speed limits along this route, and just as many speed cameras, so please observe the limits carefully!

You will take the N2 towards Knysna. Continue along this main road through Knysna town and past the Provincial Hospital on the left hand side. You will then pass a Caltex garage and Kwik Spar on the right, next to a set of traffic lights, take the next right turn into George Rex Drive, towards the Knysna Heads. It is signposted to 'The Heads', Leisure Isle & Pezula. Immediately after Knysna golf club you turn left into Wilson Street, and at the first turning circle take a right into Duthie Drive. Follow Duthie Drive up the hill to the top, until you see the Pezula Hotel on the right. After passing the hotel you will take the next left turn into Admiralty Ave. There will be a boom & security guard who will ask your name and what address you are going to - 10 Bowsprit Road. Continue down this road until you get to a T-junction at the bottom.

Turn right at the bottom & then an immediate left turn into the 1st drive way - you will see the house name (Sosa) and number from the T-junction.
